To Whom It May Concern:

It is with great enthusiasm that I write this letter of recommendation for Jacob Schnettler . I have had the pleasure of teaching Jacob, when he was in High School, for the past two years. Jacob has always been mature above his age, over the past few years, he has flourished into the quality upstanding young man he is today.

Academically Mr. Schnettler is a hardworking, diligent student who takes pride in everything he does. Jacob always was one of my go to students when I was looking for a responsible person. Jacob always enjoyed the challenging assignments and excelled when the pressure was on to produce an excellent product.

Jacob is also a wonderful citizen and member of the community. He is always willing to lend a helping hand to anyone in need. He is a fine person who puts in the extra work on his own that has helped him excel.

I also had the opportunity to teach and certify Mr. Schnettler in Lifeguarding and AED/CPR. The class is an elective and does call for much more effort than many other electives. He took on the challenge head on and showed the maturity it takes to be a responsible leader at a demanding job.

Jacob is a wonderful individual who will add quality to any community he becomes a part of. Thank you for your time and good day.

Sincerely,
Richard Ludka
